The screenshot shows the 'Routing Configuration' page in the Tx Catalyst application. The page title is 'Routing Configuration' with the subtitle 'Configure org-level routing rules. These are used as a fallback when no per-account stakeholders are set in Stakeholder Mapping.' The 'Region Sales' tab is selected. A message states: 'Region -- Sales Person Mapping. Map each sales territory to the responsible sales stakeholder. Mark a person as Copy All to include them on every workflow regardless of region.' Below this, a table shows a mapping for 'Vivek' (vivek.gupta@testingxperts.com) with a 'Copy All' button. A 'Delete alert' popup is overlaid on the right side of the page, with the text: '13.233.68.74 says Remove this mapping for "Vivek"?'. The popup has an 'OK' button. The background page shows a grid for routing rules.
