6. Department is not displaying under User Management.

The screenshot shows the 'User Management' interface in the Tx Catalyst application. The left sidebar contains navigation links for MAIN (Dashboard, Accounts, Submit New Lead, My Assignments), INSIGHTS (Leaderboard), and SYSTEM (Notifications, Exception Queue, Stakeholder Mapping, Routing Config, Admin). The main content area is titled 'User Management' with the subtitle 'Manage users, roles, and permissions.' Below this, it says 'All Users' and '10 users registered'. A table lists the users with columns: User, Email, Role, Department, and Status. The 'Department' column is highlighted with a yellow bracket, showing dashes for all users, indicating it is not displaying.

User	Email	Role	Department	Status
AJ Adeesh Jain	adeesh.jain@testingxperts.com	executive	—	Active
A Admin	admin@test.com	Admin	—	Active
